

# Annex to the Special Conditions of the Internal Rules

## 1) « PMR » housing

A valid student who has obtained an housing suitable for people with reduced mobility at the beginning of the school year, agrees to move to another housing during the year if a person with reduced mobility makes a request and no other "PMR" flat is available.

## 2) Work in a building.

If repair work is carried out during the academic year in a building, the occupants are relocated to housings of the same category within the building or closest to the building concerned.

## 3) Minor students

Minor students enrolled in high education for the 2020-2021 academic year can be accommodated at the CROUS.  
The parents of the minor student must provide the CROUS with the "Parental authorization" document downloadable when paying for the reservation.
